The linguistics component of the combined subject degree is designed to develop a comprehensive understanding of the way that languages are universally structured and trains students to master all the basic skills necessary for the analysis of different sound systems and semantics (the study of meaning in language). Linguistics and Burmese, SOAS, University of London School of Oriental and African Studies, University of London

ABSTRACT Tibeto-Burman historical linguistics has relied heavily on the spelling of Burmese and Tibetan words as found in standard modern dictionaries, at the expense of the earliest attested records. This examination of the development of the Burmese vowel system, in EVOLUTION OF THE BURMESE VOWEL SYSTEM A pre-doctoral training programme that gives you a research-led and critical approach to the study of linguistics. You'll explore a broad range of areas including sociolinguistics, formal linguistics, experimental linguistics, developmental linguistics. We'll also teach you the key research skills you'll need for doctoral-level study. Linguistics MRes - Queen Mary University of London For his next book on Tibetan linguistics, he required articles translated from Japanese and Chinese to English. With funding available from the European Council and British Museum, Dr. Hill was looking for a reliable translation partner with expertise in linguistics and International Phonetic Association (IPA) system, experience in Japanese and Chinese translation, and familiarity with
