Fifteen Postcards Travel Back In fifteen postcards History shapes those who travel through it Determined to save the antiques store she has inherited from ruin after the unexplained disappearance of her parents, Sarah Lester discovers a jumbled collection of vintage postcards which lead her on a journey through time Unprepared for the story the postcards weave about their reclusive former owner, Sarah's life is thrown ... fifteen postcards - Author — Kirsten McKenzie I enjoyed the concept of Fifteen Postcards and how each of the postcards led the story forward. The detailed research of the places that Sarah 'visited' was superb. I found Sarah a little bit of an air-head at times, but that's a minor point, and it took me a while to make the connections from the past to the people of the present. Fifteen Postcards by Kirsten McKenzie Fifteen Postcards follows the adventures of Sarah, an antiques dealer based in London, as she slips back and forth across time, searching for her family, doing a bit of hustling with some historical goodies (can't blame her, I'd do the same!), and visiting a variety of exotic locations including New Zealand and India. Fifteen Postcards (The Old Curiosity Shop): Amazon.co.uk ... Travel Guide Travel a journey of Fifteen Postcards BookTrail style. Sarah is unprepared for what these postcards hint at about their reclusive former owner, and soon they complicate her life in unimaginable ways, transporting her to Victorian London, colonial New Zealand and to the British Raj in India. Although postcard collecting and sending did have a bit of a revival after the war ended in 1918, it never achieved the popularity it had enjoyed during the first 15 years of the 1900s, but the postcards of the 1920s, 1930s, 1940s up to the Second World War are keenly collected and provide a running commentary on social history and have their own unique appeal. History of Postcards in the UK (potted version!) -

Old ... The message was to be written on the left-hand side of the back and the address on the right-hand side of the back. Great Britain was the first country to allow this practice. From around September 1902 onwards, postcard manufacturers began to issue cards with a line drawn down the middle of the back to show where the message and address should be written.
